INSTANT INFO, INSANELY INSPIRED BY IRRELEVANT ITEMS OF INCREDIBLE INCONSEQUENCE!

ITEM! All of Marveldom assembled sends best wishes to Jolly JACK and ROZ KIRBY on their 25th wedding anniversary! We're beginnin' to suspect that these two have a good thing goin'!

ITEM! We still don't know the exact date, but as we write these wondrous words, the adorable ABC Network has scheduled a full hour of Marvelmania for Saturday mornings. It'll open with 30 minutes of FANTASTIC FOUR, followed by another 30 minutes of SPIDER-MAN! (And as soon as Honest Irv gets his own show, then you'll know we're really taken over the world!) Anyway, whether it sends you or sinks you, be sure to drop a line to the President of ABC, at 1330 Avenue of the Americas, New York City, and let him know that the eyes of all True Believers are upon him!

ITEM! How's this for a sensation? We've plumb run out of Tales of Asgard (in THOR, natch) so we're replacing that time-honored feature with another little doozy that'll really rock the roost! Starting now — we're hi-lighting a 5-page featurette starring — hold on, now — none other than the incomparable INHUMANS! If you miss a single one, you'll shake our confidence in ourselves, so hang in there, huh?

ITEM! Dandy DAN ADKINS (Dr. Strange and Sub-Mariner) and Jaunty JIM STER-ANKO (Nick Fury, Agent of Shield) have become the newest darlings of Marvel fandom! Together with our other two latest luminaries, Merry MARIE SEVERIN (The Hulk and Not Brand Echh) and Big JOHN BUSCEMA (The Avengers), they're getting almost as much rave mail as FABULOUS FLO and JOLLY SOLLy put together! That oughtta prove something! (And as soon as we figure out what it is, we'll clue you in!)

ITEM! Just as we promised, we're gonna give you various titles which all you Keepers of the Faith may use when signing your names. In order to allow you enough time to memorize them, we'll give you one per month, until the list is complete. And so, we hereby present the first, officially-approved Marvel monicker, to be used by any frenzied fan who buys at least three Marvel titles per month, with unfailing devotion — you, O hallowed hero, have now attained the first rung of the towering ladder of Marveldom! You are now — automatically, and irrevocably — an R.F.O. — a Real Fantastic One! And, like Abu Ben Adm, may your tribe increase!

Let's meet 26 more M.M.M.S. members!

ITEM! We've another new feature premiering this month — in X-MEN! In answer to public demand (Bernard Public, our mailman) we're presenting a 5-page devoted to the hitherto secret Origins of the X-Men! No true mutant-lover will dare to miss it!

ITEM! We'll award a genuine, non-tarnish no-prize to the first dozen devotees who can guess the off-beat reason why we had to raise the membership price for joining the M.M.M.S. back to one dollar again! Clue — It's not the obvious reason that you'd be apt to expect!

ITEM! Have you seen the swingin' surprise awaiting you in the current issue of NOT BRAND ECHH? Nothing sensational — merely the one little feature that the whole human race has been holding its breath for! At long last, for the first time anywhere, we're peerlessly presenting the agonizin' adventures of — FORBUSH-MAN! Need we say more?

ITEM! And how's this for the most exciting combo of the season?— Darlin' DICK AYERS is back at the pencilling end of SGT. FURY — with none other than JOHNNY (Set'em-up) SEVERIN handling the inking chores! We have a hunch that you'll call our team-up of these two towering talents the smartest move since Aunt Petunia ducked out of Alcatraz!

STAN'S SOAPBOX!

The mail hasn't stopped pouring in, asking for our comments about the ever-continuing Marvel-Brand Echh rivalry! It seems that some of our less-than-redoubtable rivals are still taking pot-shots at us on the pages of their mags, and our loyal legion of letter-writers has been demanding to know what action we're gonna take. Well, we're sorry to disappoint the hawks among you, but we really don't feel any action is warranted. Actually, they're not competition! You see, they obviously aim for a totally different type of reader than we do. We don't cater to any special age group, but we do cater to a special intellectual level. Our rollickin' readers, no matter what their age, have proven to be bright, imaginative, informal, and sophisticated! So we don't mind when some of our rogish rivals claim to outsell us. (Although they never bother to mention that they PUBLISH more mags than we!) After all, everyone knows there's less of OUR type of people than of theirs! So, let them continue catering to the bubble-gum brigade — and more power to 'em. The public needs SOME sort of pabulum till it's grown up to Marvel! 'Nuff said?

THE MIGHTY MARVEL CHECKLIST

Marvel on Mags On Sale Right Now!

NOT BRAND ECHH #5: The greatest ish yet! Featuring the epic battles of the Bulk vs. the Thung, the Revengers vs. Charlie America, and — the sensation of the season — introducing: the frantic Forbush-Man!

FANTASTIC FOUR #69: Never has the super-strong Thing been so powerful, so destructive, so completely, murderously out of control! Spurred on by our maniacal mystical villain, he attempts to crush the FF itself! It's dynamite!

SPIDER-MAN #55: Not only does Spidey fight the battle of his life against the astonishing Doc Ock, but fate deals him one of the most crushing blows of all! Another landmark issue!

AVENGERS #46: Inside the Anthill Waits... Death! And a shrunken Goliath and Wasp are the pair of ever-lovin' assemblers that it's waiting for — while Cap and Pietro take on a malevolent menace known only as... the Whirlwind! It's a blast!

X-MEN #38: The world's most unusual fighting team have only seconds left in which to save the earth from the horrors of World War III — and the clutches of the Mutant-Master! Also, don't miss the start of a sensational new series — "The Origins of the X-Men!"

DAREDEVIL #34: The action takes place at Expo '67, as DD tears into the bludgeoning Beetle in one of the most block-busting battles yet! It's of Hornhead at his fighting best — and wait'll you see the breath-taking finale!

THOR #146: This is the one you've been demanding! It's Thor, as you've rarely seen him, surrounded by the most crafty, colorful, conniving crowd of craven crooks — getting himself into a deadly dilemma which is more than his super-strength can handle!

SUSPENSE #96: How can Iron Man defeat a foe whose slightest touch can turn him to helpless stone? You'll never expect the startling finish! As for Captain America — he learns what it's like to be reborn!

ASTONISH #98: Namor's fabled Atlantis is besieged by the forces of the pernicious Plunderer — while the hoodwinked Hulk is about to make the greatest mistake of his life, in the service of the Lord of the Living Lightning!

SGT. FURY #48: The blockbustin' Blitz Squad returns to make a devastating attack on the Howlers' home base in Britain! 'Nuff said!

MARVEL COLLECTORS' ITEM CLASSICS #12: The FF, the Hulk, Iron Man and Doc Strange in some of their most agonizing adventures of all-in this, the Marvel Age of Comics! Color this one groovesville!

FANTASY MASTERPIECES #11: The best of three dynamic decades! Cap and Torch from the 40's — Subby and a truly different super-hero from the 50's — and a far-out fantasy tale for good measure!

MARVEL TALES #11: The first classic team-up (or was it a battle royal?) of Spidey and DD — plus Thor, Waspie, and the ever-torpid Torch! More majestic milestones on the Marvel March to Greatness!

THEN, LATER THAT EVENING, THE OBJECT OF FURY'S QUEST STANDS REVEALED WITHIN THE CONFINES OF SHIELD'S STRONGHOLD... REVEALED AS AN ORNATELY-HEWN FIGURINE OF A CHINESE DEVIL-DRAGON... WHOSE VERY APPEARANCE SEEMS TO MENACE THOSE WHO WOULD CHANCE TO GAZE INTO THE GOLDEN EYES OF THE SHIMMERING GREEN EFFIGY! SHIELD TECHNOS HAVE ATTEMPTED TO WREST ITS DEADLY SECRETS FROM WITHIN THE COILS OF THE SWIRLING, BIZARRE FIGURE...IN VAIN!

YEAH! WE KNOW IT CONTAINS A MESSAGE ABOUT A.I.M., COLONEL-- BUT WE SURE CAN'T FIND IT!

WE STUDIED IT UNDER MAGNIFYING LENSES, X-RAYED IT, HELD CHEMICAL-CATALYST TESTS, THE WORKS... THERE'S NOTHING THERE!

NOT A LOUSY MICRO-DOT OR LOOSE SCALE ON THE THING!

MAYBE IT'S NOTHING! MORE'N A PAPER WEIGHT! MAYBE WE GOT THE WRONG INFO OR SUMPTHIN'!

I'M WITH YOU, CHIEF! THOSE BIRDS WERE PLAYIN' FOR KEEPS! THIS ONE'S THE MCCOY!

NO CHANGE! IT'S GOTTA BE CARRYIN' SOME KINDA SECRET! YA KNOW BLAMED WELL A.I.M. AIN'T GONNA MAKE IT EASY TO FIND... IT'S HERE SOMEWHERE--AN' WE CAN'T TAKE TOO MUCH TIME FINDIN' IT, EITHER!

NOT WITH A.I.M. AN' THE YELLOW CLAW FIGHTIN' BACK TO BACK TO GET IT!

YEAH! I GOT A HUNCH WHATEVER THIS THING'S HIDIN'. IT'S GONNA MEAN THE DIFFERENCE BETWEEN WINNIN' AN' LOSIN' THIS LITTLE SKIRMISH!

I AGREE! BUT, IT SOUNDS LIKE YOU HAVE A PREMONITION OF THINGS TO COME, COLONEL FURY!

I DON'T BLAME YOU, THOUGH! JUST LOOKING AT THAT STATUE GIVES ME THE CHILLS!

IT ALMOST SEEMS TO BE... ALIVE!

SUDDENLY, THE VERY AIR ITSELF SEEMS TO SHIMMER...AND A WRAITH-LIKE FIGURE APPEARS!

HA-HA-HA-HA-HA

YOU SEE, YOU PLAYED DIRECTLY INTO MY HANDS AND STOLE THE DRAGON FOR ME--JUST AS I PLANNED!

AND SOON, MY POWER WILL BE LIMITLESS!

NOW! I MUST BID YOU... FAREWELL--UNTIL THE NEXT TIME!

HE'S FADIN' AWAY!

SO, WE MEET AGAIN, FURY! DID YOU FOR A MOMENT BELIEVE I WAS NOT AWARE OF SUWAN'S HASTY ACTION!

C'MON, YA GOLDBRICKS!

MOVE!

WALLACE W. REUMANN

Author of "SUPER KARATE" and world-famous authority on KARATE, is the ONLY instructor in the Northeast U.S. recognized by the International Karate Federation in Tokyo. Spending 3 years with the Military Police in Japan, Reumann learned the ancient Oriental practice of KARATE thoroughly. In 1959 he was awarded the coveted 4th Degree Black Belt. He now operates 2 KARATE Schools in the U.S.

I spent 3 years in Japan learning the little-known Oriental art of KARATE, and was awarded the 4th Degree Black Belt—symbol of the highest possible proficiency. Now I'm ready to show you every secret I learned—and I guarantee I'll make YOU into a KARATE Specialist within hours—or every cent you paid for my information will be refunded!

You don't have to attend either of my 2 schools where I train men like you and turn them into KARATE experts. No, I can show you how to practice KARATE in the privacy of your own home with only a few minutes of practice a day. I have jam-packed all I know about KARATE into "SUPER KARATE"—profusely illustrated and clearly explained.

In this book I take you step by step through the fundamentals of KARATE—so that you understand clearly and immediately how these amazing principles operate to make you master of ANYONE you may meet—no matter how big he is, or how much he weighs!

YOUR BODY IS YOUR PROTECTION!

The result of hundreds of years of development in Japan, KARATE is the Oriental system of self-defense in which you turn your hands, arms and legs into incredibly powerful weapons of attack. When you know how to use KARATE, you disarm and disable your opponent in SECONDS.

When you apply KARATE techniques, you can cut an aggressor down with a blow of the side of

your hand. You can toss an attacker from the rear over your shoulder and slam him into the ground. (In fact, a recent photograph in *Pearson Magazine* shows a 115-lb. girl slamming her 240-lb. instructor into the practice mat.)

With KARATE you can disarm an opponent rushing you with his fists, a broken bottle, a revolver, or any kind of bludgeon. You can turn an aggressor's attack into your advantage with only your bare hands, your arms and your legs.

What would you do if you were insulted by a bully? . . . or if 3 or 4 hoodlums passed remarks about your girl? . . . or if you were suddenly mugged from behind? . . . or if someone came at you with a baseball bat? If you're like millions of other Americans, you'd be absolutely helpless--and you'd be ashamed, humiliated, robbed, beaten, kicked--and pitiful in the eyes of your girl or friends.

MASTER EVERY SITUATION

With KARATE you can disarm and disable two, three and even four attackers. You can apply a simple pressure of your thumb and finger against any one of a dozen vital nerve centers of your opponent and watch his gun or knife fall from his limp hand while he himself sinks to the ground completely helpless and faint.

You can calmly watch a bully come at you with clenched fists—and see him sail over your head without having had any contact with him other than with the sole of your shoe! When you

complete my instructions, you'll be ready for ANYONE—for ANY emergency—and you will feel supremely confident of being able to handle any situation perfectly.

In fact, knowledge of KARATE will turn you into a NEW MAN even if you never actually have used it! For you will become assured and completely confident of yourself and your ability to handle yourself. You will walk with a determined and confident step . . . you'll look any man in the eye . . . and you'll walk the streets with the knowledge that NOTHING can frighten you—that you can deal with any man, any weapon, any situation—and that you can do all this with NO bodily contact!

Costs ONLY 20¢

You owe it to your own peace of mind—to your loved ones—to be able to defend yourself in those rare days when attack may come at any time from hoodlums, criminals and "wise guys." STRANGE MAILS

Dear Stan,

Come off it, you guys - you gotta be kidding! Get Fury out of those leotards and hand him back his stogey and keep it that way. Sheesh, you look like you're trying to go James Bondy on us - us, your ever-lovin' readers! The gadgets and other stuff are fine, but when you put him in a ballerina's leotards and make him stub out his cigar, that just isn't Nick Fury! Jim Steranko is good at drawing this type, but Fury just isn't that kind. I mean, good grief - he didn't even have his usual growth of whiskers!

Steven DeForrest, 15441 Cedarwood
Midway City, Cal.

And why should he, Steverino? After all, he'd just finished testing a new combination electric razor, eyebrow tweezer and death ray created by the Gaff (SHIELD's answer to Jimmie Bond's pal Q)! By the way, the costume you laughingly refer to as "leotards" happens to be the very latest in secret-agent high fashion - not to mention the fact that it has about a zillion built-in life-saving devices! We shudder to think that any modern-day super-spy would be without one! So bear with us a while, buddy - and we'll bet you get kind-of attached to those debonaire duds! Oh, and above all - don't yield, back SHIELD!

Dear Stan,

An earthshaking matter I would like to discuss is why you don't have Dr. Strange fight some super-villains instead of all these mystical menaces all the time. Not once

has he fought a real honest-to-goodness down-to-earth super-villain - I think it would be a refreshing change. 'Nuff said!

Michael Pagano, 748 E. 89th St.
Brooklyn, N. Y.

Not quite, O Feeder of the Flames of the Faltine! If ol' Doc were to give up the mystic arts scene, what would we call our series - Doctor Sensational, Smasher of the Super-Villains? Oh well, you know how hard we try to please our frantic fans - so, if the rest of Marveldom conclusively concurs with your rollicking request, your benevolent Bullpen will blushing bow to the will of the masses! (But, we sort-a think most of you prefer our mystic master the way he is!)

Dear Stan,

Issue #160 was great! Jim is your best artist and as good as Jack Kirby. Scenes like page 5 prove this. I'm glad you added Captain America to Shield's team. The Shield story was, though, confusing. If the story happened in 1965, why did Fury, when he was climbing up the ladder on page 11, say that Hydra Island was a pushover compared to this job, when the fight at Hydra Island happened in 1967? Marie's art and Raymond's story in Dr. Strange were also great. I'm glad you've finally reintroduced Victoria Bentley, the girl who saved his life in #114. So until the day that you stop making mistakes, I'll make mine Marvel forever!

George John, 1109 Douglas St.
Wayne, Nebr.

Then we oughta have you hooked for at least a couple'a millenniums, tiger - 'cause we figure the ever-lovin' New York Mets are liable to win a pennant before your blushing Bullpeners learn to curb their magnanimous misuses and gargantuan goofs! As for Fury's calendar slip, we should probably admit that you've got us dead to rights - but, instead, we'll send a Naval Observatory approved time-keeping no-prize to the first Marvelite who can get us out of this mess! Sheesh!

NEXT ISH: In spite of a grave new personal crisis, Nick Fury is forced to enter the sinister lair of the Yellow Claw - in a desperate, last-minute attempt to foil our vociferous villain's monstrous plan to annihilate New York City! And, we doubt that you could fly any airline's friendly skies to the Land of Nightmares - where Doc Strange risks all to save the lovely but helpless Victoria Bentley! So check in with your merry Marvel travel agent next ish, frantic one! Fares to the rollickin' realm of far-out fantasy have never been lower!

Now hear this! Please keep all letters no longer than ONE PAGE! Have mercy, mellow ones!

NORMAN ROCKWELL—America's most beloved artist. He is a founder and member of the Guiding Faculty of the Famous Artists Schools.

"We're looking for people who like to draw"

says **NORMAN ROCKWELL**

Today hundreds of men and women who never thought they could be artists are working at easels and drawing boards, making pictures and getting well paid for it. They all can thank a group of famous artists who have devoted much of their time and talent to helping others find success in art.

Some of the People the Famous Artists Have Helped

Carl Koch was an 18 year old apprentice in a Chicago art studio when he enrolled. Today he prepares ads for such companies as General Motors and Firestone—has won five gold medals.

Howard Sanden of Minneapolis took the Course while still in high school. He is now a successful artist—last year he and his wife traveled through Europe and the Middle East on important art assignments.

Paul Sullivan enrolled at 14. His Famous Artists training helped him work his way through college.

Stan Bowen, father of three children, was trapped in a dull, low-paying job. By studying with FAS he

became a sought-after illustrator, has opened his own studio.

With Famous Artists training Rosemary Roberts was hired by a top department store as an artist—with a big chance to advance.

Oregon housewife Helen Tryk lives 150 miles from the nearest big city. But she does fashion illustration, has her own studio, runs an art workshop, does portraits.

A Plan to Help Others

It started over 18 years ago when a group of America's most successful artists—men like Albert Dorne, Norman Rockwell, Jon Whitcomb, Al Parker and Stevan Dohanos—met in New York City. They knew that all over America there were people who liked to draw who could be turned

into good artists. Albert Dorne asked, "Why can't we give these people the training they need—including all the trade secrets and know-how we've learned over the years?"

He suggested a new kind of art school—a home study art school—that would give talented people the best professional art training, no matter where they live.

The famous artists agreed. Taking time from their busy careers, they created a remarkable series of art lessons covering every aspect of drawing and painting. They illustrated their lessons with over 5,000 "here's-how" illustrations. The lessons start from scratch and cover every skill a top artist needs. Finally, they developed a wonderful way to give each student personal correction and advice all through his training.

The famous artists with the School are not surprised at the success of their students. The opportunities open to successful artists today are enormous. The School continually gets calls from all over the country asking for practical well-trained students—not geniuses—who can step into full-time or part-time art jobs. And practical, thorough training is what the School offers.

Famous Artists Talent Test

To find others with art talent worth developing, the Famous Artists created a 12-page talent test. Thousands paid to take this test, but now the School offers and grades it free. Men and women who do well on the test—or offer other evidence of art talent—may enroll in the School. But there's no obligation. Simply mail the coupon below.
